

Drug Prior Authorization Form Lynparza (olaparib)

The purpose of this form is to obtain information required to assess your drug claim.

IMPORTANT: Please answer all questions. Your claim assessment will be delayed if this form is incomplete or contains errors.

Any costs incurred for the completion of this form are the responsibility of the plan member/patient.

Canada Life recognizes and respects the importance of privacy. Personal information collected is used for the purposes of assessing eligibility for this drug and for administering the group benefits plan. For a copy of our Privacy Guidelines, or if you have questions about Canada Life’s personal information policies and practices (including with respect to service providers), refer to www.canadalife.com or write to Canada Life’s Chief Compliance Officer.

I authorize Canada Life, any healthcare provider, my plan administrator, any insurance or reinsurance company, administrators of government benefits or patient assistance programs or other benefits programs, other organizations, or service providers working with Canada Life or any of the above, located inside or outside Canada, to exchange personal information when relevant and necessary for these purposes. I understand that personal information may be subject to disclosure to those authorized under applicable law within or outside Canada.

I acknowledge that the personal information is needed to assess eligibility for this drug and to administer the group benefits plan. I acknowledge that providing consent will help Canada Life to assess my claim and that refusing to consent may result in delay or denial of my claim. Canada Life reserves the right to audit the information provided on this form at any time and this consent extends to any audit of my claim. This consent may be revoked by me at any time by sending written instruction to that effect.

I also consent to the use of my personal information for Canada Life and its affiliates’ internal data management and analytics purposes.

If the patient is a person other than myself, I confirm that the patient has given their consent to provide their personal information and for Canada Life to use and disclose it as set out above.

I certify that the information given below is true, correct, and complete to the best of my knowledge. Failure to provide true, correct and complete information on this form could result in revocation of any approval decision, a requirement to repay paid claims or other appropriate action.

No, condition not approved by Health Canada: _____

Complete questions 1-6 and Off-Label use

Physician's Information (continued) (please print)

'Approved Health Canada Indications and Clinical Use for Lynparza:

- Monotherapy for the treatment of adult patients with deleterious or suspected deleterious germline BRCA-mutated (gBRCAm), human epidermal growth factor receptor 2 (HER2)-negative metastatic breast cancer who have previously been treated with chemotherapy in the neoadjuvant, adjuvant or metastatic setting. Patients with hormone receptor (HR)- positive breast cancer should have progressed on or be considered inappropriate for endocrine therapy. Germline BRCA mutation must be confirmed before LYNPARZA treatment is initiated.
- Monotherapy for the maintenance treatment of adult patients with platinum-sensitive relapsed (PSR) BRCA wild type high-grade epithelial ovarian, fallopian tube or primary peritoneal cancer who are in response (complete response or partial response) to platinum-based chemotherapy, has been issued marketing authorization with conditions, pending the results of trials to verify its clinical benefit.
- Monotherapy for the maintenance treatment of adult patients with advanced BRCA-mutated high-grade epithelial ovarian, fallopian tube or primary peritoneal cancer who are in response (complete response or partial response) to first-line platinum-based chemotherapy. Patients must have confirmation of BRCA mutation (identified by either germline or tumour testing) before Lynparza treatment is initiated.
- Monotherapy for the maintenance treatment of adult patients with platinum-sensitive relapsed (PSR) BRCA-mutated high-grade epithelial ovarian, fallopian tube or primary peritoneal cancer who are in response (complete response or partial response) to platinum-based chemotherapy.
- Monotherapy for the maintenance treatment of adult patients with deleterious or suspected deleterious germline BRCA-mutated (gBRCAm) metastatic adenocarcinoma of the pancreas whose disease has not progressed on a minimum of 16 weeks of first-line platinum-based chemotherapy. Germline BRCA mutation must be confirmed before LYNPARZA treatment is initiated.

3. What is the anticipated duration of treatment with this drug? _____

4. Where will treatment be administered? Home Physician's Office Private clinic Hospital in-patient Hospital out-patient

5. Please provide medical rationale why Lynparza has been prescribed instead of an alternate drug in the same therapeutic class.

Genetic test results are not required.

6. Drug and Treatment History – must be completed for every request.

Drug(s) and Treatment(s) past and present	Dosing Regimen	Start Date (DD/MM/YYYY)	End Date (DD/MM/YYYY)	Clinical Results/Outcome
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____

Physician's Information (*continued*) (please print)

Breast Cancer, metastatic – Genetic test results are not required

- Has the patient received prior treatment with anthracycline- and a taxane- containing regimen in adjuvant or metastatic setting? Yes No
- Has the patient received prior endocrine therapy, if deemed appropriate for endocrine therapy? Yes No
- Has the patient received more than 2 prior lines of chemotherapy in the metastatic setting? Yes No
- Has the patient had prior treatment with other PARP inhibitors? Yes No

Ovarian, Fallopian Tube or Peritoneal Cancer – Genetic test results are not required

- How many lines of platinum-based chemotherapy has the patient completed? _____
- Provide details in medication chart
- Will Lynparza be used as monotherapy? Yes No
- Is the patient currently in response (complete response or partial response) to most recent line of platinum-based chemotherapy? Yes No
- Please indicate patient's current ECOG score: _____

Pancreatic Adenocarcinoma , metastatic - Genetic test results are not required

- Has the patient experienced disease progression on a minimum of 16 weeks of first line platinum-based chemotherapy? Yes No
- Will Lynparza be used as monotherapy? Yes No

Other condition (Health Canada approved) – Genetic test results are not required

Please provide any relevant information related to the disease and attach supporting documentation.

Off-label use – Genetic test results are not required

Questions 1 - 6 must be completed.

Date of initial diagnosis (DD/MM/YYYY): _____

Is there clinical evidence supporting the off-label use of this drug? Yes No

Provide clinical literature/studies to support the request for off-label use, such as:

- At least two Phase II or two Phase III clinical trials showing consistent results of efficacy; and
- Published recommendations in evidence-based guidelines supporting its use.

Provide medical rationale why Lynparza has been prescribed off-label instead of an alternate drug with an approved indication for this condition.

Provide any pertinent medical history or information to support this off-label request.

If this is a renewal request, provide documentation showing treatment efficacy since previous request.

Note for Physician: To be eligible for reimbursement, Canada Life may require your patient to purchase a drug requiring prior authorization from a pharmacy designated by Canada Life. If applicable, a health case manager will contact you with further information.

I certify that the information provided is true, correct, and complete.

Physician's Signature: _____ Date: _____

License Number: _____

It is important to provide the requested information in detail to help avoid delay in assessing claims for the above drug. This form may be subject to audit. The completed form can be returned to Canada Life by mail, fax, or email.

Note: As email is not a secure medium, any person with concerns about their prior authorization form/medical information being intercepted by an unauthorized party is encouraged to submit their form by other means.
