

Stronger Communities Together™ is the national corporate citizenship program of Great-West Life, London Life (including Freedom 55 Financial) and Canada Life. Our goal is to contribute to lasting positive change for Canadians through creative, coordinated efforts with charities, non-profits and community organizations across Canada.

While we accept proposals throughout the year, we encourage a single proposal as early in the calendar year as possible. **Our goal is to review and respond within 90 days.** New proposals received after June may be held to the next fiscal year for consideration. Each year, we receive many more requests than we can accommodate. As a result, eligibility does not guarantee funding. We evaluate each proposal carefully and strategically to ensure our funds are invested with the utmost care and responsibility.

Please take time to review [frequently asked questions](#) before submitting your application. If you have any additional questions, please [contact us](#).

Note: If you are applying for non-event funding please use [this form](#). If you are applying for funding related to the *Great-West Life Centre for Mental Health in the Workplace*, please use [this form](#).
