

## Drug Prior Authorization Form Ilaris (canakinumab)

The purpose of this form is to obtain information required to assess your drug claim. Approval for coverage of this drug may be reassessed at any time at Great-West Life's discretion. For additional information regarding Prior Authorization and Health Case Management, please visit our Great-West Life website at [www.greatwestlife.com](http://www.greatwestlife.com).

**IMPORTANT:** Please answer all questions. Your claim assessment will be delayed if this form is incomplete or contains errors.

**Any costs incurred for the completion of this form are the responsibility of the plan member/patient.**

Great-West Life recognizes and respects the importance of privacy. Personal information collected is used for the purposes of assessing eligibility for this drug and for administering the group benefits plan. For a copy of our Privacy Guidelines, or if you have questions about Great-West Life's personal information policies and practices (including with respect to service providers), refer to [www.greatwestlife.com](http://www.greatwestlife.com) or write to Great-West Life's Chief Compliance Officer.

I authorize Great-West Life, any healthcare provider, my plan administrator, any insurance or reinsurance company, administrators of government benefits or patient assistance programs or other benefits programs, other organizations, or service providers working with Great-West Life or any of the above, located inside or outside Canada, to exchange personal information when relevant and necessary for these purposes. I understand that personal information may be subject to disclosure to those authorized under applicable law within or outside Canada.

I acknowledge that the personal information is needed to assess eligibility for this drug and to administer the group benefits plan. I acknowledge that providing consent will help Great-West Life to assess my claim and that refusing to consent may result in delay or denial of my claim. Great-West Life reserves the right to audit the information provided on this form at any time and this consent extends to any audit of my claim. This consent may be revoked by me at any time by sending written instruction to that effect.

If the patient is a person other than myself, I confirm that the patient has given their consent to provide their personal information and for Great-West Life to use and disclose it as set out above.

I certify that the information given below is true, correct, and complete to the best of my knowledge. Failure to provide true, correct and complete information on this form could result in revocation of any approval decision, a requirement to repay paid claims or other appropriate action.

No, prescribed use is not approved by Health Canada: \_\_\_\_\_

Complete questions 1 – 6 and Off-label use

**Physician's Information (continued) (please print)**

***<sup>1</sup>Approved Health Canada Indications and Clinical Use for Ilaris:***

Indicated for the ongoing management of Cryopyrin-Associated Periodic Syndromes (CAPS), in adults and children aged 2 years and older, including:

- Familial Cold Autoinflammatory Syndrome (FCAS)/ Familial Cold Urticaria (FCU)
- Muckle-Wells Syndrome (MWS)

May also be used in Neonatal-Onset Multisystem Inflammatory Disease (NOMID)/ Chronic Infantile Neurological, Cutaneous, Articular Syndrome (CINCA).

The treatment of Tumor Necrosis Factor (TNF) receptor Associated Periodic Syndrome (TRAPS) in adult and pediatric patients.

The treatment of Hyperimmunoglobulin D Syndrome (HIDS)/Mevalonate Kinase Deficiency (MKD) in adult and pediatric patients.

The treatment of Familial Mediterranean Fever (FMF) in adult and pediatric patients. ILARIS can be given as monotherapy or in combination with colchicine.

The treatment of active Systemic Juvenile Idiopathic Arthritis (SJIA) in patients aged 2 years and older.

3. What is the anticipated duration of treatment with this drug? \_\_\_\_\_

4. Where will treatment be administered?  Home  Physician's Office  Private clinic  Hospital in-patient  Hospital out-patient

5. Please provide medical rationale why Ilaris has been prescribed instead of an alternate drug in the same therapeutic class.

**Genetic test results are not required**

\_\_\_\_\_

\_\_\_\_\_

**6. Drug and Treatment History – must be completed for every request.**

Drug(s) and Treatment(s) past and present	Dosing Regimen	Start Date (DD/MM/YYYY)	End Date (DD/MM/YYYY)	Clinical Results/Outcome
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____
				<input type="checkbox"/> Failure <input type="checkbox"/> Intolerance <input type="checkbox"/> Other Clinical details: _____ _____

**Physician's Information (continued) (please print)**

**Cryopyrin-Associated Periodic Syndromes (CAPS) – Genetic test results are not required**

Provide copies of most recent SAA and CRP levels, including date. Upon renewal, provide data since previous request.

**Please indicate current activity based on the following parameters. Check all that apply.**

**This chart must be completed for new requests and renewals.**

	Absent	Minimal	Mild	Moderate	Severe
Skin Disease					
Arthralgia					
Conjunctivitis					
Fatigue					
Cold-triggered episodes					

**Active Systemic Juvenile Arthritis – Genetic test results are not required**

Provide medical rationale why Ilaris has been prescribed instead of Actemra and Orencia for the treatment of systemic juvenile arthritis.

---

---

Check all of the following that apply:

- > 2 joints with active arthritis
- Rash of systemic JIA
- Lymphadenopathy
- Splenomegaly
- Fever > 38°C
- Serositis
- Hepatomegaly

**For renewal:**

Please provide the most recent clinical notes from the prescribing physician detailing response to therapy. Include current CRP results.

**Other condition (Health Canada approved) – Genetic test results are not required**

Please provide any relevant information related to the disease and attach supporting documentation.

---

---

**Off-label use – Genetic test results are not required**

Is there clinical evidence supporting the off-label use of this drug?  Yes  No

Provide clinical literature/studies to support the request for off-label use, such as:

- At least two Phase II or two Phase III clinical trials showing consistent results of efficacy; and
- Published recommendations in evidence-based guidelines supporting its use.

Provide medical rationale why Ilaris has been prescribed off-label instead of an alternate drug with an approved indication for this condition.

---

---

Provide any pertinent medical history or information to support this off-label request.

---

---

If this is a renewal request, provide documentation showing treatment efficacy since previous request.

---

---

**Note for Physician: To be eligible for reimbursement, Great-West Life may require your patient to purchase a drug requiring prior authorization from a pharmacy designated by Great-West Life. If applicable, a health case manager will contact you with further information.**

**I certify that the information provided is true, correct, and complete.**

Physician's Signature: \_\_\_\_\_ Date: \_\_\_\_\_

License Number: \_\_\_\_\_

It is important to provide the requested information in detail to help avoid delay in assessing claims for the above drug. This form may be subject to audit. The completed form can be returned to Great-West Life by mail, fax, or email.
